

## 2.2.10. Head Physiotherapist

### ABOUT THE ROLE

The Head Physiotherapist is responsible for managing the rehabilitation and injury prevention of all FQ Academy and FQPL players. As a part of the role the Physiotherapist will liaise with the Technical Director of the football club to help track the progress of players returning from injury and will also be responsible for managing prehab and rehab programs across the football club.

### APPLICANT REQUIREMENTS

- The applicant must hold a degree in Physiotherapy.
- Must provide and manage all club triage and provide suitable referrals and advice.
- Must work closely with the Technical Director to provide the best service and education to our players surrounding injury prevention and injury rehabilitation.
- Must hold a working with children check.
