

2.2.8. Assistant Coaches

ABOUT THE ROLE

Holland Park Hawks FC's ongoing vision for player and coaching development believes it is necessary to expand our coaching network, increase our education of coaches and ultimately improve player development because of this process. We encourage teams and coaches to find suitable coaching assistants to enable our coach resources to grow and allow for the replacement of volunteer coaches. We highly recommend the recruitment of youth team players as assistant coaches where possible in line with our youth development strategy.

APPLICANT REQUIREMENTS

- We recommend that all assistant coaches attend coaching pathway courses to develop their skill set and obtain accreditation
- Assistant coaches should work alongside the main team coach to deliver a training program in conjunction with the team's competition and age group
