### WET WEATHER PROCEDURE - QLD MASTERS FOOTBALL GAMES

Should a game be postponed due to wet weather affecting fields, the following procedure is to be followed:

1. Home team contacts the **OPPOSITION** team (using the details on the Contacts List) - **PHONE CALL** is the preferred method of contact, as emails are not always received/read in time
2. Home team contacts the **REFEREE CO-ORDINATORS** (details at the foot of the Contact List) - as per above, **PHONE CALL** to be made to Allan Eedy (Allocations Officer) - **0410 194 434**
3. Home team advises QMF Administration by email ([kmorcus@thelion.net.au](mailto:kmorcus@thelion.net.au))

Where games are postponed due to wet weather, teams will be asked to have these games rescheduled mid-week - such arrangements to be completed **WITHIN 30 DAYS** of the original scheduled date.
