In the event of an accident or illness taking place at training or in a game without my child's parent/guardian being present, a club representative may obtain and administer any medical assistance or treatment my child may reasonably require including calling emergency services. A club representative will contact the main parent and/or the emergency contact number to discuss measures to be taken immediately it is safe to do so.

I understand that I, or my child, will not be permitted to participate in the football season if my payment arrangement falls into arrears.
